IN THE MATTER OF THE
APPLICATION OF ARIZONA
WATER COMPANY, AN ARIZONA
CORPORATION, TO EXTEND ITS
EXISTING CERTIFICATE OF
CONVENIENCE AND NECESSITY
AT CASA GRANDE, PINAL
COUNTY, ARIZONA

DOCKET NO. W-01445A-05-0469

ADDENDUM TO REQUEST FOR
ADDITIONAL TIME FOR
COMPLIANCE FILING

On October 5, 2011 Arizona Water Company (the "Company") filed, in the above-captioned docket, a request for additional time to comply with certain compliance deadlines contained in Decision No. 68607 (the "Decision"). In support of its request, the Company provided certain documents, including copies of letters from owners or owner representatives of a majority of the real property located in the expansion area the Commission approved for the Company in the Decision. The letters document the property owners' continuing need and request for water service from the Company and that they desire that the Company continue to be the certificated water provider for the expansion area in order that they will be able to continue with plans to develop their property.

The Company also received letters from additional property owners in the expansion area that reaffirmed the property owners' desire to obtain water service from the Company. Copies of these letters were attached to an Addendum to the October 5, 2011 request, and filed in this docket on December 15, 2011.

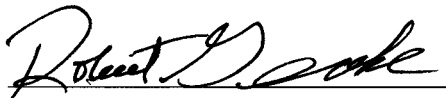

1 On February 22, 2012 the Company received a letter (attached to this Addendum as
2 Attachment A) from Lawrence Land II LLC, the owner of Pinal County Assessor's Parcel No.
3 402-06-013A that confirms Lawrence Land's continuing need and request for water service
4 from the Company, and its desire that the Company continue to be the certificated water
5 provider for the area that includes its property so that it can continue its plans to develop its
6 property. With the receipt of Lawrence Land's letter, the Company has now received the
7 confirmation described in this paragraph from 100% of the owners of the real property located
8 in Parcel 4 of the CC&N expansion area approved in this docket.

9 CONCLUSION

10 In view of the supporting information and documentation contained in the October 15,
11 2011 request, the December 15, 2011 Addendum and this Addendum, the Company submits
12 that it has substantially complied with the certificate of assured water supply requirement, as
13 detailed in the request, has submitted applications with the ADEQ for certificates of approval to
14 construct, as well as the virtually unanimous continuing request for water service and the
15 continuation of the Company's certificate of convenience and necessity for the expansion area,
16 the Company respectfully requests that the compliance deadline under the Decision be extended
17 to March 22, 2014.

Dear Mr. Geake:

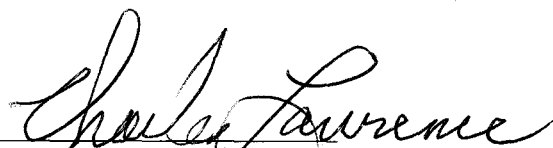

We are following up with you regarding Pinal County Assessor's Parcel Number(s) 402-06-013A which we own.

Although plans for development have been delayed by the severe recession that is still adversely affecting the Pinal County real estate market, we still need and desire to receive water service from Arizona Water Company to serve this parcel.

Our current plans include development within the earliest possible time, considering current market conditions, perhaps within twenty-four months. If market conditions improve, however, we hope to shorten this timeframe.

If you have any questions, please feel free to contact us.

Sincerely,

By: 
Lawrence Land II LLC
